RE: Invitation to Bid (ITB): S50-C24987 - Construct an Elevator Shaft, and Furnish and Install a New Elevator at Fire Station No. 66 for the General Services Department on behalf of the Houston Fire Department

To: Whom It May Concern:

This correspondence serves as official notice that the City of Houston has completed its review of all bids submitted in response to the above referenced ITB. Please be advised that after careful examination and review of all bids, Times Construction, Inc. has complied with all the requirements of the ITB and submitted the lowest, responsive and responsible bid. Therefore, they were recommended to City Council for the award to construct an elevator shaft, and furnish and install a new elevator at Fire Station No. 66 for the General Services Department on behalf of the Houston Fire Department.

We appreciate your interest in wanting to do business with the City of Houston and encourage your continued interest in all future procurements. Should you need additional information, please contact Art Lopez at 832.393.8731.

Sincerely,
